

# Bits + Bites

AS THE FOOD WORLD TURNS

BY JESSICA BATTILANA

## **RAWXANNE KLEIN**

She's at it again: **Roxanne Klein**, the woman who popularized the raw-food revolution with her eponymous Marin restaurant, is releasing a line of packaged raw, vegan foods under the Roxanne's Fine Cuisine label. Want a taste of "cheezecake," chocolate-vanilla parfait or Tibetan trail mix? Find the products at Whole Foods and Andronico's stores throughout the city.
